Editorial by Ms. Manju Nautiyal

Dear Students,

At Innovative World School, we believe in fostering a culture of innovation and excellence and we have always been at the forefront of educational innovations, empowering students to think critically, solve problems and embrace changes.

As the pages of another academic year turn, we stand proud to present a comprehensive glimpse into the vibrant tapestry of experiences that defined our school's journey. In the pursuit of academic excellence and holistic development, our institution has been a beacon of innovation and inspiration.

Throughout the year, our students have not only excelled in their academic pursuits but have also showcased their talents in a myriad of co-curricular and extracurricular activities. Bagless days of learning with fun and subject enrichment activities with exciting experiments enhanced their knowledge in multi-dimensions. From exhilarating sports events to captivating cultural festivals, each endeavour has been a testament to our students' passion and dedication.

Moreover, our commitment to fostering a positive environment conducive to learning and growth has been unwavering. Through value-based sessions and counselling initiatives, we have provided our students with the necessary tools to navigate life's challenges with resilience and integrity.

In addition to academic and personal development, our school takes pride in its state-of-the-art facilities designed to nurture creativity and innovation. From well-equipped laboratories to expansive libraries, every resource is tailored to inspire and empower our students to reach new visions.

As we reflect on the past year, we are filled with gratitude for the unwavering support of our dedicated faculty, enthusiastic parents, and, most importantly, our exceptional students. Together, we have created memories that will be cherished for a lifetime, and we eagerly anticipate the adventures that lie ahead. Welcome to the journey of excellence at Innovative World School.

About The Founder Director

Mrs. Kamla S.S.Bisht, the founder director of Innovative World School, Pune, Maharashtra holds a distinguished position in Pune City's educational landscape, having earned a B.A. Hons and master's degree in Geography from the prestigious S.P. College, along with her bachelor's and master's degrees in Education from 'Tilak College of Education at Pune University. With an illustrious career spanning 38 years, she has imparted her expertise in Geography across various Indian schools and served as an examiner for CBSE, ICSE, and NIOS at both secondary and higher secondary levels.

Mrs. Bisht's accomplishments extend beyond academia, as she is a recipient of numerous accolades, including Best Student, Best Teacher, and Best Principal awards. A former NCC cadet, she has undergone extensive training in international jamboree camps, youth leadership camps, advanced leadership camps, basic mountaineering camps, and Republic Day parade camps. Notably, she was selected for administrative and academic training at the prestigious NUPA in New Delhi. She is also among the recipients who have been awarded a certificate for Best Practices in Teaching Learning from NCERT, New Delhi.

Assuming the role of Principal at a young age in Pune City, Mrs. Bisht has left an indelible mark on various institutions. Additionally, she held the position of CEO of Education and CSR in the corporate sector, playing a pivotal role in establishing some renowned schools in Pune. Mrs. Bisht is a proud recipient of the Best CSR Award and has been honoured with the Best Principal Award several times.

Beyond her professional achievements, Mrs. Bisht embodies the qualities of a motivator, guide, exemplary teacher, administrator, and effective manager. Above all, she is known for her compassion, pure heart, and foresight, dedicating her life to giving and helping others. In her own words,

"We make a living by what we get, but we make a life by what we give."

Navigating Challenges, Upholding Values: A Reflection

The journey of our school, which commenced its educational odyssey in 2019, stands as a testament to resilience, adaptability, and an unyielding commitment to the noble cause of education. From its modest inception with a small cohort of students, our institution encountered its first major trial as the formidable wave of the COVID-19 pandemic swept across the globe. Despite the daunting adversities, the academic year 2021-22 we have witnessed a remarkable surge in admissions, underscoring the unwavering trust and confidence vested in our educational vision by parents and guardians.

At the heart of our educational ethos lies a profound belief in offering nothing short of excellence in education, while simultaneously cherishing and preserving our rich cultural heritage and core values. This conviction proved especially pivotal during times of crises and conflicts. Throughout the tumultuous period of the pandemic, we remained resolute in our dedication to these guiding principles. Harnessing the power of cutting-edge technological innovations, we seamlessly pivoted towards online teaching-learning methodologies, thereby ensuring uninterrupted continuity in the educational journey of our students, despite the formidable challenges posed by the pandemic's disruption.

The resounding success achieved in navigating the intricate landscape of online education served as a powerful testament to the strength and resilience of our close-knit educational community and the efficacy of our pedagogical approach. As we pause to reflect upon our arduous yet triumphant journey, we derive immense pride and satisfaction from the indomitable spirit exhibited by our students, the unwavering commitment demonstrated by our esteemed faculty members, and the steadfast support extended by our dedicated parents.

Looking ahead, we remain steadfastly committed to the pursuit of educational excellence, firmly rooted in our cherished cultural heritage and enduring values. Armed with the invaluable lessons learned from our collective experiences, we stand poised and prepared to surmount any obstacle that may dare to impede our relentless quest for academic enlightenment and holistic development.

Message from the Founder Director

Dear Students,

Welcome to another exciting chapter of learning and growth at Innovative World School! As the director of this esteemed institution, it fills my heart with joy to welcome every one of you to our vibrant community. Your presence enriches the tapestry of our school, and I am filled with immense pride to witness your enthusiasm and eagerness to embark on this journey of knowledge and discovery.

I extend my deepest gratitude to the parents for entrusting us with the education and well-being of their precious children. Your unwavering belief in our vision and commitment to excellence inspires us to strive for greatness every day.

At IWS, we are dedicated to nurturing not just academic brilliance but also character, compassion, and creativity. Together, let us embrace the challenges and opportunities that lie ahead, knowing that with perseverance and determination, we can achieve anything.

As we commence this new academic year, I assure you of our unwavering dedication to creating a nurturing and empowering environment where every student can thrive and shine. Together, let us write a story of success, tolerance, and boundless possibilities. Welcome, dear students, to a journey of endless possibilities and a future filled with promise.

With warmest regards,

Mrs. Kamla Bisht

Founder Director, Innovative World School, Pune

From the Desk of Principal

Dear Students,

As we stand at the threshold of a new era in education, we must embrace the transformative power of technology while cherishing the timeless wisdom of our culture, traditions, and values. As the head of Innovative World School, it is my utmost priority to ensure that we strike a harmonious balance between innovation and heritage, preparing our students not only for the challenges of the modern world but also instilling in them a deep-rooted appreciation for their cultural identity.

Technology has revolutionized the way we teach and learn, opening up new avenues for exploration and discovery. We must harness its potential to enhance the educational experience, equipping our students with the skills they need to thrive in an increasingly digital landscape.

However, as we embrace the advancements of the digital age, we must also remain steadfast in our commitment to preserving our cultural heritage and value system. Our traditions serve as the foundation upon which our identity is built, providing us with guidance, wisdom, and a sense of belonging. It is our collective responsibility to ensure that these invaluable treasures are passed down to future generations.

As we embark on this journey of innovation and tradition, let us strive to create a learning environment that fosters curiosity, creativity, and compassion, where technology is used not as a substitute for human connection, but as a tool to enhance it. Together, let us pave the way for a future where modernity and tradition coexist in perfect harmony.

With warm regards,
Ms. Manju Nautiyal

Accolades and Awards

Celebrating achievements, our school basks in the glow of numerous accolades and awards. These accolades not only honour individual achievements but also reflect the collective spirit of our institution, inspiring us all to reach greater heights.

With a proud tradition of excellence, our students have clinched countless victories, earning prestigious gold medals in Olympiads. These triumphs are a testament to their dedication, perseverance, and passion for learning. From academic prowess to extracurricular brilliance, our school community continues to shine brightly on local, national, and international stages.

September 15, 2023:

Innovative World School Pune was honoured with the prestigious 'Scroll of Honour' at the Navbharat Conclave 2023 in Mumbai. Presented by Mr. Devendra Fadnavis, Deputy Chief Minister of Maharashtra, the award recognised the school's remarkable societal contributions and dedication to education.

August 29, 2023:

The school clinched the esteemed 'Lokmat Educational Award 2023'. Dr. Bhagat Karad, Union Minister of State for Finance, Government of India, bestowed this recognition, praising the institution as one of the finest educational establishments in the Pimpri-Chinchwad Municipal Corporation.

2022:

The school has been recognized as the best school (Ranked 1st) in the Cleanliness Campaign Competition held in 2022 by PCMC Pune.

October 3, 2021:

Innovative World School received accolades from Lokmat as one of the best schools in PCMC, Pune.

August 31, 2021:

The school was recognized as the best school in PCMC, Pune, by Mr. Uday Sawant, Cabinet Minister of Higher and Technical Education, Maharashtra.

Highlights:

Innovative World School Pune stands out for its innovative teaching methods and holistic education approach, emphasizing India's rich traditions. Ranked first in PCMC for emerging schools, it fosters future leaders while preserving Indian heritage and values.

The Academic Spotlight

The Academic Spotlight: Fostering Excellence in Education

In the realm of academic achievement, our students shine brightly, embodying excellence in both scholastic and extracurricular pursuits. Recognizing their dedication and talent, we celebrate the outstanding performers who excel not only in academics but also in co-curricular and extracurricular activities. Their achievements serve as inspirations to the entire school community.

To further cultivate academic prowess, our institution hosts a myriad of competitions, providing platforms for students to showcase their intellect and skills. These events not only foster healthy competition but also nurture a spirit of collaboration and innovation among participants.

In addition to student-focused activities, we prioritize the professional development of our educators. Academic events are organized to empower teachers with the latest pedagogical techniques and subject knowledge, ensuring they are equipped to provide the best learning experiences for students.

Moreover, we are committed to providing comprehensive resources aimed at enhancing academic excellence. From state-of-the-art facilities to cutting-edge educational technology, we strive to create an environment conducive to intellectual growth and achievement.

In our Academic Spotlight, we not only celebrate past successes but also lay the foundation for future accomplishments, fostering a culture of excellence and lifelong learning within our school community.

Innovative teaching approaches

In primary and middle school education, innovative teaching approaches are paramount to engaging young minds and fostering holistic development. Our school embraces dynamic methodologies, leveraging technology, project-based learning, and collaborative activities to cultivate creativity and critical thinking. Through interactive lessons, gamified learning experiences, and hands-on projects, students are empowered to explore, experiment, and express themselves. These innovative approaches not only cater to diverse learning styles but also promote problem-solving skills and adaptability, preparing students for the challenges of the future. By embracing innovation in education, we ignite a lifelong passion for learning and equip students with the skills they need to thrive in a rapidly evolving world.

Extra curricular Triumphs

Extracurricular Triumphs: Celebrating Holistic Excellence

Introduction: At Innovative World School Pune, education extends far beyond the confines of textbooks and classrooms. Our commitment to nurturing well-rounded individuals is exemplified through our vibrant extracurricular program, where students showcase their talents, dedication, and teamwork in various arenas.

Diverse Achievements: Our extracurricular triumphs epitomize the essence of holistic education, showcasing students' prowess beyond academics. Whether it's captivating stage performances, exhilarating athletic feats, or eloquent debate tournaments, each victory speaks volumes about our students' dedication, resilience, and multifaceted abilities.

From the thrill of winning sports championships to the pride of representing our school in cultural festivals, our students excel in diverse domains. Musical showcases, community service initiatives, and leadership roles in student clubs further enrich their educational journey, instilling values of teamwork, creativity, and social responsibility.

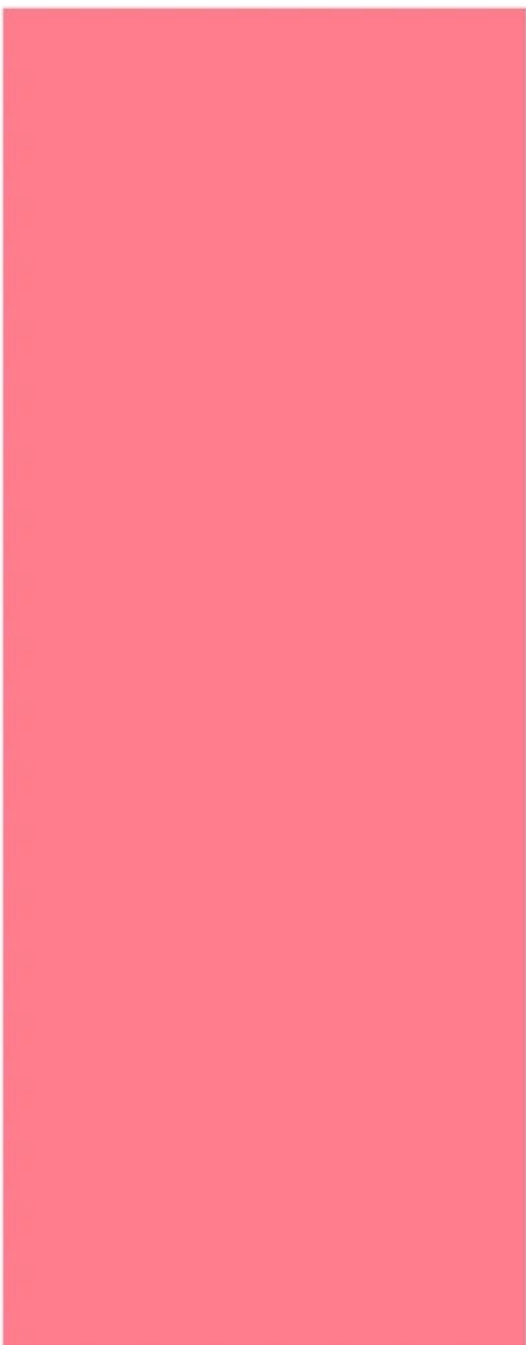

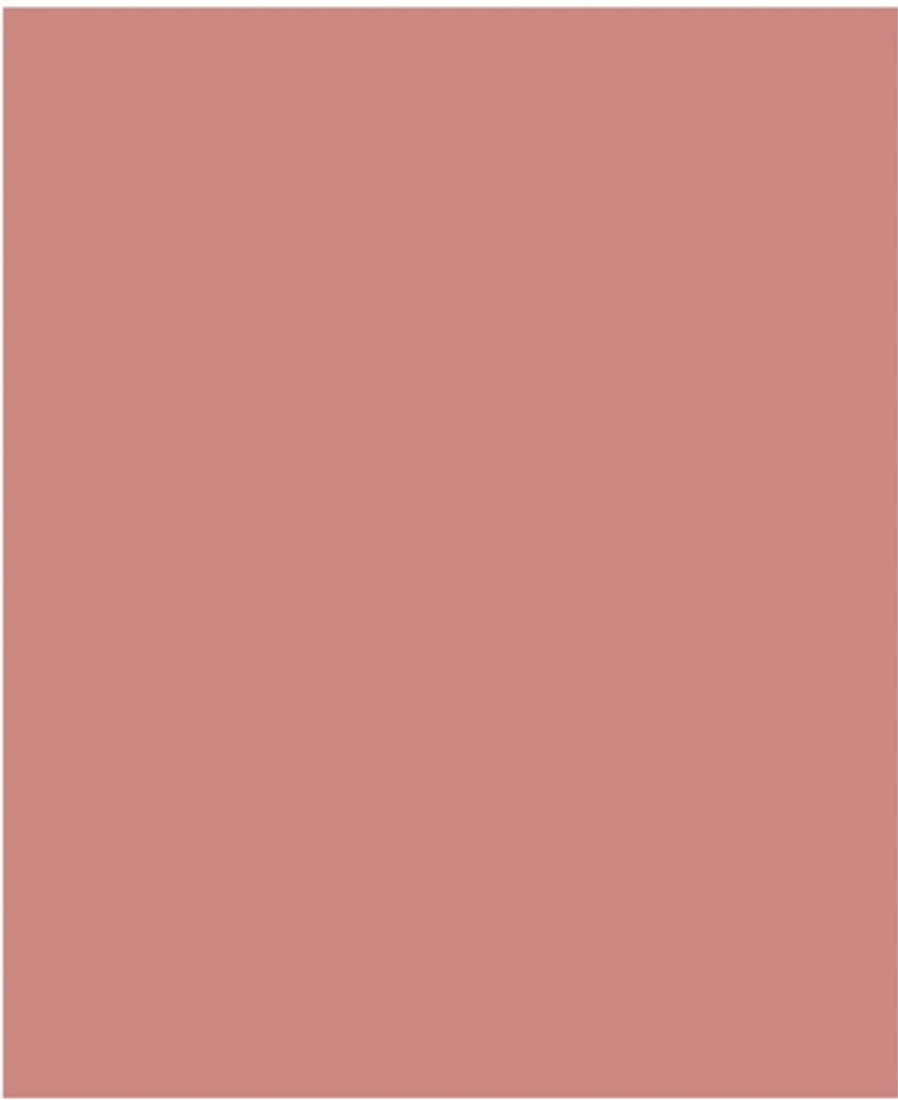

Fostering Leadership and Resilience: Participation in extracurricular activities goes beyond mere achievement; it moulds our students into confident leaders, equipped to navigate life's challenges. Through organizing events, managing teams, and overcoming setbacks, they develop invaluable skills that prepare them for future endeavours.

Cultural Milestones: Within our school's cultural landscape, Arts and Cultural Milestones stand as vibrant expressions of creativity, diversity, and self-expression. From theatrical productions to musical performances, our students use the stage as a canvas to showcase their talents and celebrate our rich cultural heritage. These milestones not only entertain but also inspire unity, understanding, and appreciation for the arts.

Conclusion: As we celebrate our extracurricular triumphs, we recognize the integral role they play in shaping our students' holistic development. Beyond academic excellence, it's our commitment to fostering talents, nurturing passions, and building character that sets Innovative World School Pune apart. Through our extracurricular program, we empower our students to shine brightly, both on stage and in life. They are the true embodiment of the thought "Excellence in Education, Excellence in Life."

Extracurricular Triumphs

Nurturing Musical Heritage: Indian Classical Vocal & Instrumental Training

At Innovative World School, Pune, we take immense pride in preserving and promoting India's rich musical heritage through our Indian classical vocal and instrumental training program. From the earliest stages of education in class 1 to the advanced levels in class 8, we offer students the opportunity to immerse themselves in the melodious world of Indian classical music.

Introduction to Indian Classical Music: Indian classical music is one of the oldest and most sophisticated musical traditions in the world, with a history spanning centuries. Rooted in ancient scriptures and traditions, it is characterized by intricate melodies, complex rhythms, and a deep spiritual connection.

Curriculum Overview: Our Indian classical music program is designed to provide students with a comprehensive understanding of both vocal and instrumental aspects of this art form. Through a structured curriculum, students learn the fundamentals of classical ragas, talas (rhythmic cycles), and techniques specific to their chosen instrument or vocal style.

Benefits of Indian Classical Music Education: 1. Cultural Preservation: By learning Indian classical music, students become ambassadors of our cultural heritage, preserving and promoting this ancient art form for future generations.

2. Enhanced Cognitive Skills: Studies have shown that learning music, especially classical music, can improve cognitive skills such as memory, attention, and problem-solving abilities.

3. Emotional Well-being: Music has the power to evoke emotions and provide a sense of inner peace and tranquility. Through their musical journey, students develop emotional intelligence and resilience.

4. Discipline and Focus: Mastering Indian classical music requires dedication, discipline, and focused practice, fostering valuable life skills that extend beyond the realm of music.

Integration with Academic Curriculum: Indian classical music is seamlessly integrated into our academic curriculum, providing students with a holistic learning experience. Through cross-disciplinary approaches, students explore connections between music and subjects such as history, mathematics, and language arts.

Conclusion: At Innovative World School, Pune, our Indian classical vocal and instrumental training program is not just about mastering musical techniques; it's about fostering a deep appreciation for our cultural heritage, nurturing creativity, and shaping well-rounded individuals. Through the timeless melodies of Indian classical music, we empower our students to embrace their roots while reaching for the stars.

Special Days of Importance

Introduction: At Innovative World School Pune, every special day holds significant importance, bringing the school community together in joyous festivities and meaningful observances. These days are not merely events on the calendar; they are opportunities for students to connect, learn, and grow together.

Annual Sports Day: Sports Day is a highlight of the school year, promoting unity, camaraderie, and healthy living. Students showcase their athletic prowess while learning the values of teamwork, discipline, and fair play. Beyond the thrill of victory, Sports Day instills lifelong lessons and fosters a sense of belonging within the school community. Our annual Sports Day event is a testament to unity and athleticism. From the solemn Ground Puja to the thrilling competitions and mesmerizing performances, Sports Day ignites passion, camaraderie, and sportsmanship among students. It's a day to celebrate not just victories but also the joy of physical activity and teamwork.

Annual Day: The Annual Day is a grand celebration of talent, creativity, and unity. It showcases the diverse talents of our students through captivating cultural performances, melodious music, and captivating drama. Awards and accolades recognize academic excellence, fostering pride and motivation among students, teachers, and parents alike.

Conclusion: Special days of celebration at Innovative World School Pune are integral parts of our school culture, fostering a sense of community spirit and collective pride. Each day is a chapter in our journey of growth and unity, enriching our school experience and shaping us into compassionate, well-rounded individuals.

Special Events & Celebrations

Introduction: At Innovative World School Pune, special events and celebrations are cherished moments that unite us in joy, camaraderie, and shared experiences. From festive cultural festivals to heartwarming charity drives, these occasions enrich our school life and nurture a sense of community spirit among students, teachers, and families.

Celebration of Festivals: Our school celebrates the rich cultural tapestry of India through vibrant festivals like Diwali, Holi, Eid, Ganesh Chaturthi, Navratri, Durga Puja, and Pongal. These celebrations not only honor our heritage but also foster unity, understanding, and mutual respect among students from diverse backgrounds. Through cultural education and appreciation, students learn to embrace diversity and celebrate humanity's rich tapestry.

Commemorative Observances: Throughout the year, we commemorate significant historical events and milestones through educational activities and events. Revolution Day, Independence Day, Earth Day, Constitution Day, serve as reminders of courage, progress, and the importance of collective action for a better world.

Art and Cultural Milestones: Within the canvas of our school's cultural landscape, Arts and Cultural Milestones are the vibrant brushstrokes that paint a narrative of creativity, diversity, and expression. From mesmerizing theatrical productions to soul-stirring musical performances, each milestone represents a journey of imagination and innovation. Our students, like skilled artisans, weave intricate tales through dance, poetry, and visual arts, enriching our community with their boundless talents. These cultural milestones not only celebrate our heritage but also inspire unity, understanding, and appreciation for the rich tapestry of human expression. They are the timeless melodies and captivating scenes that etch memories in the hearts of all who witness them.

Conclusion: Special events and celebrations at Innovative World School Pune are more than just occasions; they are opportunities for students to connect, learn, and grow. Whether it's through cultural festivities, sportsmanship, or commemorative observances, these events foster a sense of belonging, pride, and community spirit that enriches our school experience and shapes us into compassionate, well-rounded individuals.

Bagless Days & Subject Enrichment Activities

Bagless Days:

At Innovative World School Pune, Bagless Days are a cherished tradition that allows students to engage in a wide array of enriching activities beyond the confines of traditional classroom learning. These days are not just breaks from textbooks; they are opportunities for students to explore their creativity, develop new skills, and foster a deeper connection with their surroundings.

From Rangoli coloring to lantern making, Diya painting to story-telling, Bagless Days offer a diverse range of activities that celebrate our cultural heritage, promote artistic expression, and encourage hands-on learning. Students immerse themselves in crafting beautiful artworks, learning traditional crafts, and honing their storytelling abilities, all while having fun and building camaraderie with their peers.

On special occasions such as Mother's Day and Environment Day, students engage in activities like badge-making and paper bag-making, promoting environmental consciousness and honoring the role of mothers in our lives. These activities not only instill values of sustainability and gratitude but also foster creativity and teamwork among students.

Subject Enrichment Activities:

In addition to Bagless Days, Innovative World School Pune integrates Math into various subject enrichment activities, providing students with holistic learning experiences that transcend traditional classroom boundaries.

Through Math in stories, role play, and the market, students explore real-life applications of mathematical concepts, fostering a deeper understanding and appreciation for the subject. Geometry in the ground and integers on the floor transform abstract mathematical concepts into tangible, hands-on experiences, making learning both engaging and accessible.

Activities like hopscotch in a room, place value in act, and number grid puzzles in the classroom promote active learning and problem-solving skills, encouraging students to think critically and creatively. The integration of Math with art, through activities like Warli art, not only enhances mathematical understanding but also promotes creativity and cultural appreciation.

From spell bee competitions to Ganesh idol-making and colorings, students are provided with opportunities to showcase their mathematical prowess and creative talents. Whether it's paper modak-making or rock coloring, these activities inspire curiosity, foster collaboration, and ignite a passion for learning that extends far beyond the confines of traditional classroom walls.

Innovative World School Pune believes in providing students with holistic learning experiences that nurture their intellectual, artistic, and emotional growth. Bagless Days and Math, Subject Enrichment Activities are integral components of our curriculum, empowering students to become lifelong learners and creative thinkers in an ever-evolving world.

Innovative teaching approaches:

In primary and middle school education, innovative teaching approaches are paramount to engaging young minds and fostering holistic development. Our school embraces dynamic methodologies, leveraging technology, project-based learning, and collaborative activities to cultivate creativity and critical thinking. Through interactive lessons, gamified learning experiences, and hands-on projects, students are empowered to explore, experiment, and express themselves. These innovative approaches not only cater to diverse learning styles but also promote problem-solving skills and adaptability, preparing students for the challenges of the future. By embracing innovation in education, we ignite a lifelong passion for learning and equip students with the skills they need to thrive in a rapidly evolving world.

Bagless Days

Subject Enrichment Activities

Innovative Teaching Approaches

Visits / Excursions

Excursions play a vital role in primary and middle school education, offering students invaluable hands-on learning experiences beyond the confines of the classroom. Our school firmly believes in the philosophy of "learning by doing," recognizing that practical engagement enriches academic understanding. Excursions provide opportunities for students to observe, explore, and interact with real-world environments, fostering curiosity, critical thinking, and social skills. These experiences enhance classroom learning, making abstract concepts tangible and relevant. By immersing students in experiential learning, excursions ignite a passion for discovery and deepen their appreciation for the world around them, enriching their educational journey.

From The Diary Of Our Educators

मेरी पंचतत्त्वीमाँ

- श्रीमती कमला बिष्ट द्वारा रचित कविता

मेरी पंचतत्त्वी माँ

पंचतत्त्वों से बनी मेरी माँ
पंचतत्त्वों की तरह मेरी माँ ।

धरती सा विशाल हृदय लिए मेरी माँ
ममता, क्षमा जैसे गुणों से भरी मेरी माँ ।

अनंत आकाश की विशालता लिए मेरी माँ
संतुष्टि व उदारता से भरी मेरी माँ ।

जल की तरह निर्मल मेरी माँ
हर रिश्ते को जीती और निभाती मेरी माँ ।

वायु की तरह शीतल मेरी माँ
सबको निस्वार्थ अपनापन देने वाली मेरी माँ ।

अग्नि की तरह तेजस्वी मेरी माँ
संवेदना और त्याग से भरी मेरी माँ ।

जिन पंचतत्त्वों से बनी थी मेरी माँ
उन्हीं पंचतत्त्वों में समा गई माँ ।

और उन्हीं पंचतत्त्वों के बीच छोड़ गई हमें
पंचतत्त्वों की तरह बनने के लिए मेरी माँ ।

Shaping the Future of Education

(by Ms. Rakhi Gharu)

Today, we are discussing a topic that is not only crucial for the present but also holds the key to the prosperity of generations to come. Education is the cornerstone of progress, and as we navigate the complexities of the 21st century, it becomes increasingly imperative that we reflect on how we can shape and enhance the educational landscape for the benefit of all.

We need not go anywhere but towards our roots, the Gurukul system of India with its unique features and contributions to learning and personal development. Let's discuss some inspiring and practical takeaways that are relevant to the future of education as well.

Students lived with their teachers (gurus) in a Gurukul, fostering a close bond and personalized learning experience.

Aiming at the holistic development of individuals, encompassing not only academic knowledge but also physical fitness, moral values, and life skills.

The curriculum was centered around the study of Vedas and Upanishads, which included not only spiritual and philosophical teachings but also covered a wide range of subjects, including mathematics, astronomy, linguistics, medicine, and more.

The Gurukul system often included an apprenticeship model, where students learned through direct observation, imitation, and practice under the guidance of their teachers.

Experiential Learning- Learning was not confined to the classroom. Students engaged in practical, hands-on learning experiences, which facilitated a deeper understanding of concepts.

Community Involvement: Gurukuls were often integrated into the larger community. This facilitated a sense of social responsibility and community engagement among students.

The Present Indian education system has both strengths and flaws and has direct impacts due to British Rules. Rote Learning, Exam-centric Evaluation, Lack of Practical Skills, Outdated Curriculum, Inequality in Access, Pressure and Mental Health Issues, Lack of Vocational Education, Overemphasis on Marks, and lack of Research Orientation are some of the loopholes.

In the present scenario, NEP 2023 focuses on Holistic, Multidisciplinary, flexible, practical, and problem-solving kind of Education. It emphasizes problem-solving abilities over memorization and traditional grading methods. We all are aware of the main features of NEP such as the 5+3+3+4 model instead of the 10+2 structure and imparting education at 4 stages: Foundational, Preparatory, Middle and Secondary. Here are some general ways in which an education policy, such as NEP 2023, could contribute to shaping the future of education in the following ways-

Curriculum Development, Technological Integration, Teacher Training, and Professional Development, Inclusive Education, Assessment and Evaluation, Global Competence, Flexible Learning Environments, Research and Innovation.

From virtual classrooms to online resources, technology has the potential to democratize education, making it accessible to learners across the globe. Embracing these technological advancements means transcending physical boundaries and providing opportunities for those who may have previously been excluded from formal education. However, as we integrate technology, we must also ensure that the human element is not lost. The role of teachers remains paramount in shaping the educational experience.

In conclusion, beyond academic achievements, education should cultivate a sense of civic responsibility, environmental consciousness, and global awareness. By embracing technology, valuing teachers, fostering flexibility, promoting inclusivity, and instilling values, we can shape an educational future that empowers individuals to thrive in an ever-evolving world.

मैं नदी हूँ

(श्रीमती अनुपम श्रीवास्तव द्वारा रचित)

मैं नदी हूँ।
सुरम्य वादियों से निकली,
अल्हड़ मदमस्त चाल चलती,
निश्चल, पवित्र, अविरल हूँ।
श्वेत , धवल, अपने ही आप में मगन,
पर गहरी नहीं हूँ,
जैसी दिखती हूँ बस वैसी ही हूँ।
गर्जन करती, सीधी चलती,
क्या मजाल जो कोई सामने आए।
कंकड़ पत्थर चट्टानों को धराशायी करती,
अपनी ही लय में चलती हूँ।
पिता मेरे पर्वत, पिता की छाया में गिँवत रहती
हूँ।

पर कब तक???
मैदान में आ चुकी हूँ अब।
जगह बदल गयी, पर्वत छूट गया,
पर मेरे लवण साथ हैं।
अपने वेग को कम किया,
गति भूली नहीं हूँ, गर्जन से सृजन नहीं होता।
अब गहरी बहुत गहरी हुई मैं।
शांत हूँ पर कमजोर नहीं।

मेरी लाये तत्वों से मिट्टी बनी,
नव फसल उगी, सभ्यतायें बनी।
मैं अब माँ कहलाई,
किसी ने पूजा, किसी ने प्रदूषित किया।
मैं बुरी नहीं, पर हर किसी की प्रिय भी तो नहीं
बन सकती।
अब मैं गर्जन नहीं करती, शांत हूँ।
जिद्दी नहीं कि जिस रास्ते चाहूँ,
उसी रास्ते जाऊँ।
समयानुसार मुड़ जाती हूँ।
अब अपनेनुसार नहीं,
सही चुनती हूँ,
हाँ, थोड़ा लहरा के चलती हूँ।

ओह यह क्या है??
यह कैसी जमीन है??
नहीं चल पा रही मैं इस पर।
आत्मविश्वास टूट गया मेरा,
धरती में समा गई मैं,
तराई क्षेत्र में आ गयी मैं।
पाट तो सिर्फ मेरे थे,

बांध बनाओगे तो प्रलयकारी बाढ़ बन जाऊंगी।
अब अनुभव हो चुके हैं मुझे,
उप्फ!! अब यूँ घसी घस के चलना नहीं होता
मुझसे।

मैं तो ऐसी नहीं थी।
फिर खुद को जोड़ा मैंने,
"कर सकती हूँ मैं, सब कर सकती हूँ मैं"
सोचा मैंने।

पूरी ताकत लगाई, और मैं भाबर में आई।
रूप बिगड़ा था मेरा,
छिछली, कंकर पत्थर से भरी थी मैं।
धीरे धीरे सब सम्हाला,
फिर से अपना पूर्व रूप पाया।

अब बहुत हो गया,
यूँ हर पल लहराना मुझसे नहीं होता।
कितनी मिट्टी बना चुकी मैं,
अब और नहीं ढोया जाता।
खुद को बांट लिया मैंने,
अपनी ही धाराओं में,
अब दोनों पाट नहीं संभलते,
इसीलिए अब डेल्टा बनाती हूँ।
थोड़ा मैं देखती हूँ, थोड़ा मेरी धारा संभालती है
दोनों मिल कर उर्वरा बढ़ाते हैं।

डेल्टा हम दोनों का है।
मेरी धाराओं का महत्व हो या मेरा,
है तो सब मेरा।

अब बहुत चल लिया, अब ताकत नहीं बची।
मेरा सागर आ गया; मृत्यु तो जीवन का अटल
सत्य है।

पीछे पलट कर देखती हूँ तो ये क्या!!
मेरा ही नव रूप मेरा अनुकरण कर रहा है।
यह सफर तो निरंतर चल रहा है।
गंगा हो या टेम्स, नील हो या ह्वांगहो, गोमती,
चम्बल या कृष्णा, कावेरी, मा 'दि, मिशि शपी
या सिंधु, ताप्ती।

कोई शांत या कोई घनघोर,
कोई व्यावसायिक है तो कोई कृषिक,
रूप अनेक परन्तु गति सबकी एक।
कभी पर्वत पर नहीं सोचा था कि एकदिन डेल्टा
बनाऊंगी।

यही तो इस जीवन की खूबसूरती है,
अनसुलझा, रहस्यमय और आनंद से परिपूर्ण।
आप कुछ सोचने लगे क्या??
मैं नदी हूँ,
सच में एक नदी की ही जीवनी है ये।

Covid-19 & Learning Experiences

(by Ms. Sweety Mandloi)

While the COVID-19 pandemic presented numerous challenges for education, there are several potential positive outcomes that could emerge as schools transition back to normalcy:

1. Appreciation for In-Person Learning:

After experiencing the limitations of remote learning, students and educators may have a newfound appreciation for the value of in-person instruction.

Being back in the classroom can foster a sense of community, collaboration, and engagement that may have been lacking during periods of virtual learning.

2. Resilience and Adaptability: The pandemic forced schools to adapt quickly to new circumstances, prompting educators to innovate and develop creative teaching methods. This experience can cultivate resilience and adaptability among students and teachers, equipping them with valuable skills for navigating future challenges.

3. Emphasis on Mental Health and Well-being: The disruptions caused by the pandemic have underscored the importance of prioritizing mental health and well-being in schools. As students return to campus, there may be a greater emphasis on providing support services, promoting social-emotional learning, and creating a nurturing environment that fosters mental health resilience.

4. Technological Integration: The widespread adoption of technology during the pandemic has accelerated the integration of digital tools and resources in education. Schools may continue to leverage these technologies to enhance teaching and learning, offering opportunities for personalized instruction, remote collaboration, and flexible learning pathways.

5. Renewed Focus on Equity and Inclusion: The pandemic highlighted existing disparities in access to education and resources. Schools may emerge from the crisis with a renewed commitment to addressing these inequities, ensuring that all students have equal opportunities to succeed regardless of their background or circumstances.

6. Stronger Community Connections: The shared experience of navigating the pandemic together can strengthen bonds within school communities. Students, teachers, parents, and administrators may feel a sense of solidarity and camaraderie as they work together to rebuild and move forward.

7. Celebration of Milestones: As schools return to normal operations, there may be a sense of celebration and joy surrounding traditional milestones such as graduation ceremonies, proms, and academic achievements. These events can serve as symbols of resilience and perseverance in the face of adversity.

Overall, while the COVID-19 pandemic presented significant challenges for education, it also offers opportunities for growth, innovation, and positive change. By learning from the lessons of the past and embracing the possibilities of the future, schools can emerge from the crisis stronger and more resilient than ever before.

COVID-19 has left an indelible mark on the world, reshaping our societies, economies, and daily lives in profound ways. Yet, amidst the hardships and uncertainties, it has also sparked resilience, innovation, and solidarity. As we reflect on the lessons learned, let us seize this opportunity to build a more equitable, sustainable, and resilient world for generations to come.

संस्कृतभाषायाः ज्ञानं किमर्थं आवश्यकम् ?

लेखकः - रवीन्द्र शास्त्री (गडदे)

विश्वस्य प्राचीनतमस्य पुस्तकस्य (वेदस्य) भाषा संस्कृतम् अस्ति। अतः जगतः प्रथमभाषा इति मन्यमानस्य संशयस्य सम्भावना नास्ति । स्पष्टव्याकरणस्य, वर्णमालायाः वैज्ञानिकत्वस्य च कारणात् तस्य श्रेष्ठता अपि स्वतः एव दृश्यते । महत्त्वपूर्णसाहित्यसमृद्धत्वात् तस्य महत्त्वमपि निर्विवादम् । ईश्वरस्य भाषा इति मन्यते । संस्कृतं न केवलं स्वविकसितभाषा अपितु संस्कृतभाषा अपि अस्ति, अतः तस्याः नाम संस्कृतम् अस्ति । संस्कृतमेव भाषा यस्याः भाषिणां नामकरणं न कृतम्।

विश्वस्य प्राचीनतमस्य पुस्तकस्य (वेदस्य) भाषा संस्कृतम् अस्ति। अतः जगतः प्रथमभाषा इति मन्यमानस्य संशयस्य सम्भावना नास्ति । स्पष्टव्याकरणस्य, वर्णमालायाः वैज्ञानिकत्वस्य च कारणात् तस्य श्रेष्ठता अपि स्वतः एव दृश्यते । महत्त्वपूर्णसाहित्यसमृद्धत्वात् तस्य महत्त्वमपि निर्विवादम् । ईश्वरस्य भाषा इति मन्यते । संस्कृतं न केवलं स्वविकसितभाषा अपितु संस्कृतभाषा अपि अस्ति, अतः तस्याः नाम संस्कृतम् अस्ति । संस्कृतमेव भाषा यस्याः भाषिणां नामकरणं न कृतम्।

संस्कृत > सम् + सूत + 'कृ करणे' + क्त, ('संपर्योपेभ्यः करोतौ भूषणे' अस्मात् सूत्रात् 'भूषण' अर्थात् 'सुत' अथवा यथार्थस्य उत्पत्तिः / 'भूते' अस्मात् सूत्रात् अतीतसूचनार्थम् । क्त-प्रत्ययः संज्ञा अर्थे / कृ-धातुः 'कर' वा 'कर' इत्यर्थे) अर्थात् सुलङ्कृतः सुकुरितः वा।

सङ्गणकस्य, कृत्रिमबुद्धेः च कृते एषा भाषा सर्वाधिकं उपयुक्ता इति मन्यते । संशोधनेन ज्ञातं यत् संस्कृतपठनेन स्मृतिशक्तिः वर्धते । संस्कृतवाक्येषु शब्दान् यथाक्रमं स्थापयितुं शक्यन्ते। अनेनार्थस्य विकृतत्वस्य अल्पसंभावना वा नास्ति वा । एतत् भवति यतोहि सर्वे शब्दाः विभक्तिशब्दानुसारेण भवन्ति तथा च क्रमपरिवर्तनेऽपि सम्यक् अर्थः रक्षितः एव तिष्ठति। यथा - अहं गृहं गच्छामि वा गच्छमी गृहम् अहम्, उभयम् अपि कुशलम् संस्कृतभाषा विश्वस्य सर्वाधिक 'सिद्ध' तार्किकभाषा च अस्ति। संस्कृतमेव माध्यमं यत् क्रमशः अङ्गुली जिह्वा च लचीलं करोति। तस्य अध्ययनं कुर्वन्तः छात्राः गणितं, विज्ञानम् इत्यादीनां भाषाणां प्राप्तौ सहायतां प्राप्नुवन्ति ।

संस्कृतभाषायां साहित्यस्य रचना न्यूनातिन्यूनम् षड्सहस्रवर्षेभ्यः निरन्तरम् अस्ति। भारतस्य सहस्राणां पुस्तिकानां कोटिशः उत्तममनसः तस्य लक्षशः ग्रन्थानां पठने चिन्तने च दिवारात्रौ प्रवृत्ताः सन्ति, अद्यत्वे अपि नियोजिताः सन्ति। न जाने विश्वे कस्मिन् अपि देशे एतादृशी भाषा अस्ति वा या एतावत्कालं यावत् प्रचलिता अस्ति, एतावता दूरं यावत् प्रचलिता अस्ति, या मनसि एतावता प्रसिद्धा अस्ति। सम्भवतः न। दीर्घकालानन्तरम् अपि असंख्यप्राकृतिकमानवविपदानां (विदेशाक्रमणानां) सम्मुखीभवन् अपि ३ कोटिभ्यः अधिकाः संस्कृतपाण्डुलिप्याः अद्यापि विद्यन्ते । एषा संख्या ग्रीक-लैटिन-पाण्डुलिपिनां संयुक्तसङ्ख्यायाः अपेक्षया १०० गुणाधिका अस्ति । निःसंदेहं एतत् धनं मुद्रणयंत्रस्य आविष्कारात् पूर्वं कस्यापि संस्कृतिना निर्मितं महत्तमं सांस्कृतिकविरासतां वर्तते ।

मन्दिर, मूर्तिकला	बृहत्संहिता, वराहमिहिर
संस्कार	गृह्यसूत्र

संस्कृत भाषा की आवश्यकता व विशेषताएँ ।

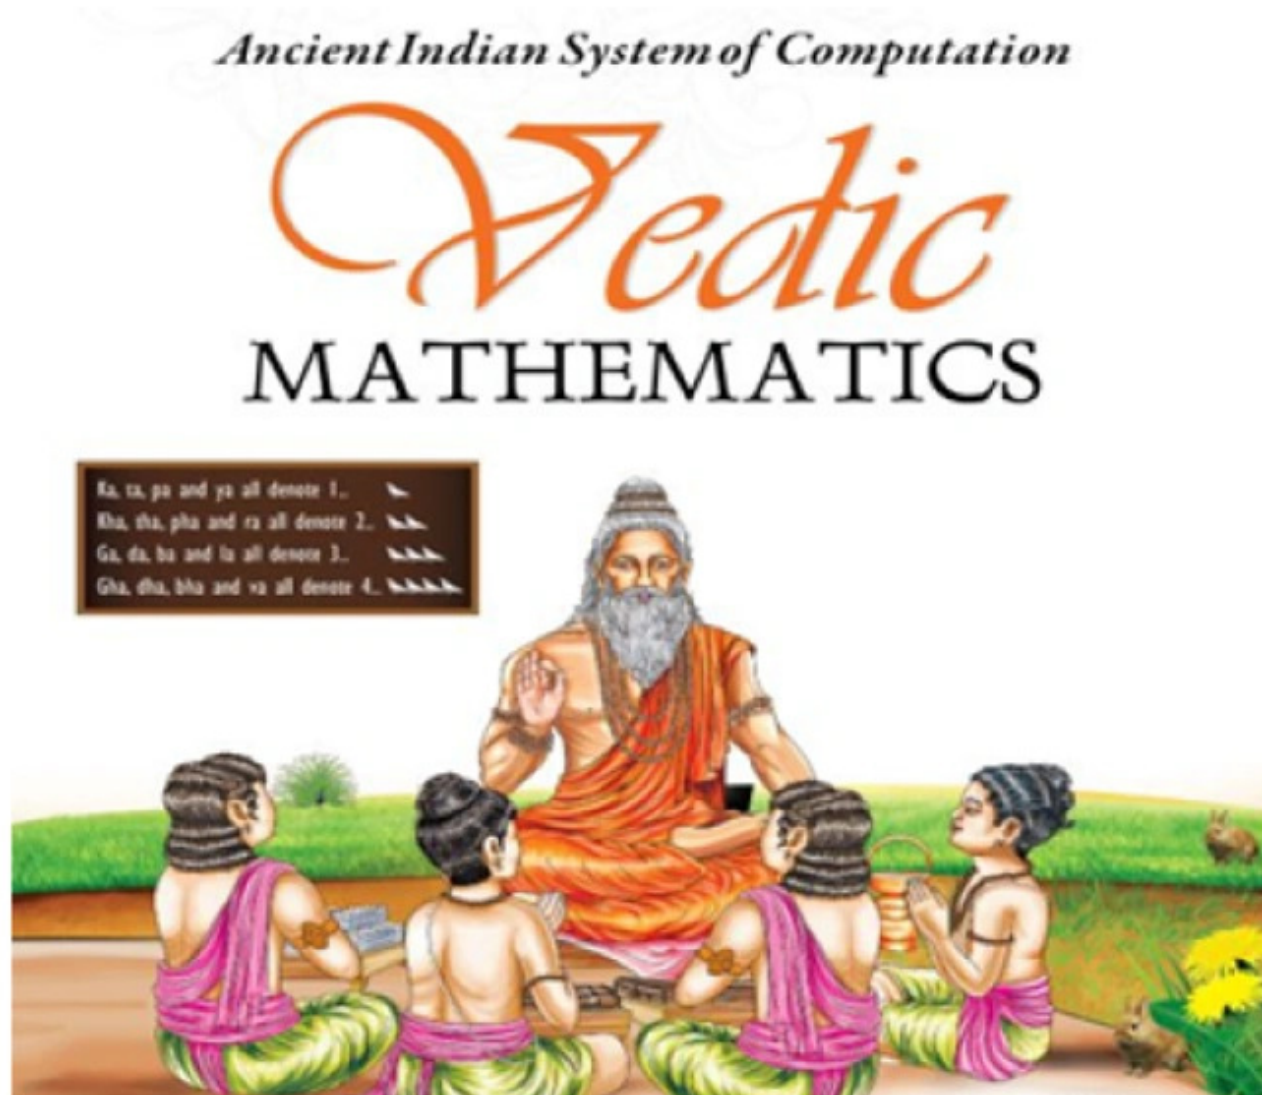

- (१) संस्कृत, विश्व की सबसे पुरानी पुस्तक (वेद) की भाषा है। इसलिए इसे विश्व की प्रथम भाषा मानने में कहीं किसी संशय की संभावना नहीं है।
- (२) इसकी सुस्पष्ट व्याकरण और वर्णमाला की वैज्ञानिकता के कारण सर्वश्रेष्ठता भी स्वयं सिद्ध है।
- (३) सर्वाधिक महत्वपूर्ण साहित्य की धनी होने से इसकी महत्ता भी निर्विवाद है।
- (४) इसे देवभाषा माना जाता है।
- (५) संस्कृत केवल स्वविकसित भाषा नहीं बल्कि संस्कारित भाषा भी है, अतः इसका नाम संस्कृत है। केवल संस्कृत ही एकमात्र भाषा है जिसका नामकरण उसके बोलने वालों के नाम पर नहीं किया गया है।
- संस्कृत > सम् + सुट् + 'कृ करणे' + क्त, ('सम्पर्युपेभ्यः करोतौ भूषणे' इस सूत्र से 'भूषण' अर्थ में 'सुट्' या सकार का आगम/ 'भूते' इस सूत्र से भूतकाल(past) को द्योतित करने के लिए संज्ञा अर्थ में क्त-प्रत्यय /कृ-धातु 'करणे' या 'Doing' अर्थ में) अर्थात् विभूषित, समलंकृत(well-decorated) या संस्कारयुक्त (well-cultured)।
- संस्कृत को संस्कारित करने वाले भी कोई साधारण भाषाविद् नहीं बल्कि महर्षि [पाणिनि](#), महर्षि [कात्यायन](#) और योगशास्त्र के प्रणेता महर्षि [पतंजलि](#) हैं। इन तीनों महर्षियों ने बड़ी ही कुशलता से योग की क्रियाओं को भाषा में समाविष्ट किया है। यही इस भाषा का रहस्य है।
- (६) शब्द-रूप - विश्व की सभी भाषाओं में एक शब्द का एक या कुछ ही रूप होते हैं, जबकि संस्कृत में प्रत्येक शब्द के 27 रूप होते हैं।
- (७) द्विवचन - सभी भाषाओं में एकवचन और बहुवचन होते हैं जबकि संस्कृत में द्विवचन अतिरिक्त होता है।
- (८) सन्धि - संस्कृत भाषा की सबसे महत्वपूर्ण विशेषता है [सन्धि](#)। संस्कृत में जब दो अक्षर निकट आते हैं तो वहाँ सन्धि होने से स्वरूप और उच्चारण बदल जा है ।
- (९) इसे [कम्प्यूटर](#) और [कृत्रिम बुद्धि](#) के लिए सबसे उपयुक्त भाषा माना जाता है।
- (१०) शोध से ऐसा पाया गया है कि संस्कृत पढ़ने से स्मरण शक्ति बढ़ती है।
- (११) संस्कृत वाक्यों में शब्दों को किसी भी क्रम में रखा जा सकता है। इससे अर्थ का अनर्थ होने की बहुत कम या कोई भी सम्भावना नहीं होती। ऐसा इसलिये होता है क्योंकि सभी शब्द

विभक्ति और वचन के अनुसार होते हैं और क्रम बदलने पर भी सही अर्थ सुरक्षित रहता है।
जैसे - अहं गृहं गच्छामि या गच्छामि गृहं अहम् दोनों ही ठीक हैं।

- (१२) संस्कृत विश्व की सर्वाधिक 'पूर्ण' (perfect) एवं तर्कसम्मत भाषा है।
- (१३) संस्कृत ही एक मात्र साधन हैं जो क्रमशः अंगुलियों एवं जीभ को लचीला बनाते हैं। इसके अध्ययन करने वाले छात्रों को [गणित](#), [विज्ञान](#) एवं अन्य भाषाएँ ग्रहण करने में सहायता मिलती है।
- (१४) संस्कृत भाषा में साहित्य की रचना कम से कम छह हजार वर्षों से निरन्तर होती आ रही है। इसके कई लाख ग्रन्थों के पठन-पाठन और चिन्तन में भारतवर्ष के हजारों पुस्तक के करोड़ों सर्वोत्तम मस्तिष्क दिन-रात लगे रहे हैं और आज भी लगे हुए हैं। पता नहीं कि संसार के किसी देश में इतने काल तक, इतनी दूरी तक व्याप्त, इतने उत्तम मस्तिष्क में विचरण करने वाली कोई भाषा है या नहीं। शायद नहीं है। दीर्घ कालखण्ड के बाद भी असंख्य प्राकृतिक तथा मानवीय आपदाओं (वैदेशिक आक्रमणों) को झेलते हुए आज भी ३ करोड़ से अधिक संस्कृत [पाण्डुलिपियाँ](#) विद्यमान हैं। यह संख्या ग्रीक और लैटिन की पाण्डुलिपियों की सम्मिलित संख्या से भी १०० गुना अधिक है। निःसंदेह ही यह सम्पदा [छापाखाने](#) के आविष्कार के पहले किसी भी संस्कृति द्वारा सृजित सबसे बड़ी सांस्कृतिक विरासत है।
- (१५) संस्कृत केवल एक मात्र भाषा नहीं है अपितु संस्कृत एक विचार है। संस्कृत एक संस्कृति है एक संस्कार है संस्कृत में विश्व का कल्याण है, शांति है, सहयोग है, [वसुधैव कुटुम्बकम्](#) की भावना है।
- आज की सारी विद्याएँ जो हम पढ़ रहे हैं वह सब प्राचीन काल में सारे विद्याएँ संस्कृत में पढ़ाई जाती थी | जो हम नीचे के तक्तों में देख सकते हैं |

Significance of Vedic Math in the Modern Era

(by Ms. Rajeshwari Sankar)

Vedic Math comes from the Vedas, more specifically the Atharva Veda. It was revived by Indian mathematician Jagadguru Shri Bharati Krishna Tirthaji between 1911 and 1918. He then published this work in a book called Vedic Mathematics in 1965. It comprises 16 sutras (formulae) and 13 sub sutras.

Importance of Vedic Mathematics in the Modern Era:

Vedic mathematics is a unique and innovative approach to solving mathematical problems. Its versatility lies in its ability to simplify not only simple arithmetic but also complex branches of maths such as algebra, trigonometry, geometry, and calculus. Due to its effectiveness, Vedic maths holds immense importance in the field of mathematics. Here are some of the important benefits of Vedic maths.

Making Mathematics Fun and Interesting

One of the most significant attributes of Vedic maths is that it changes the way we perceive mathematics. Instead of viewing maths as a challenging, stressful subject, Vedic maths enables us to see it as a fun, interesting, and interactive field. It brings out the playfulness in numbers and calculations, taking away the dread associated with the subject.

A Boost to Mental Agility

Vedic maths isn't just about learning a new way to calculate; it also contributes significantly to cognitive development. It enhances your brain's functioning, promoting logical thinking, improving memory, and boosting mental agility. In a world where mental sharpness is key, Vedic maths provides an excellent workout for your brain.

Enhancing Calculation Speed

Imagine being able to perform complex calculations in your head within seconds. Sounds like a dream, doesn't it? Well, with Vedic maths, this dream can become a reality. It offers efficient techniques and strategies that can drastically increase your calculation speed, a boon for students and professionals alike.

Applications Beyond the Classroom

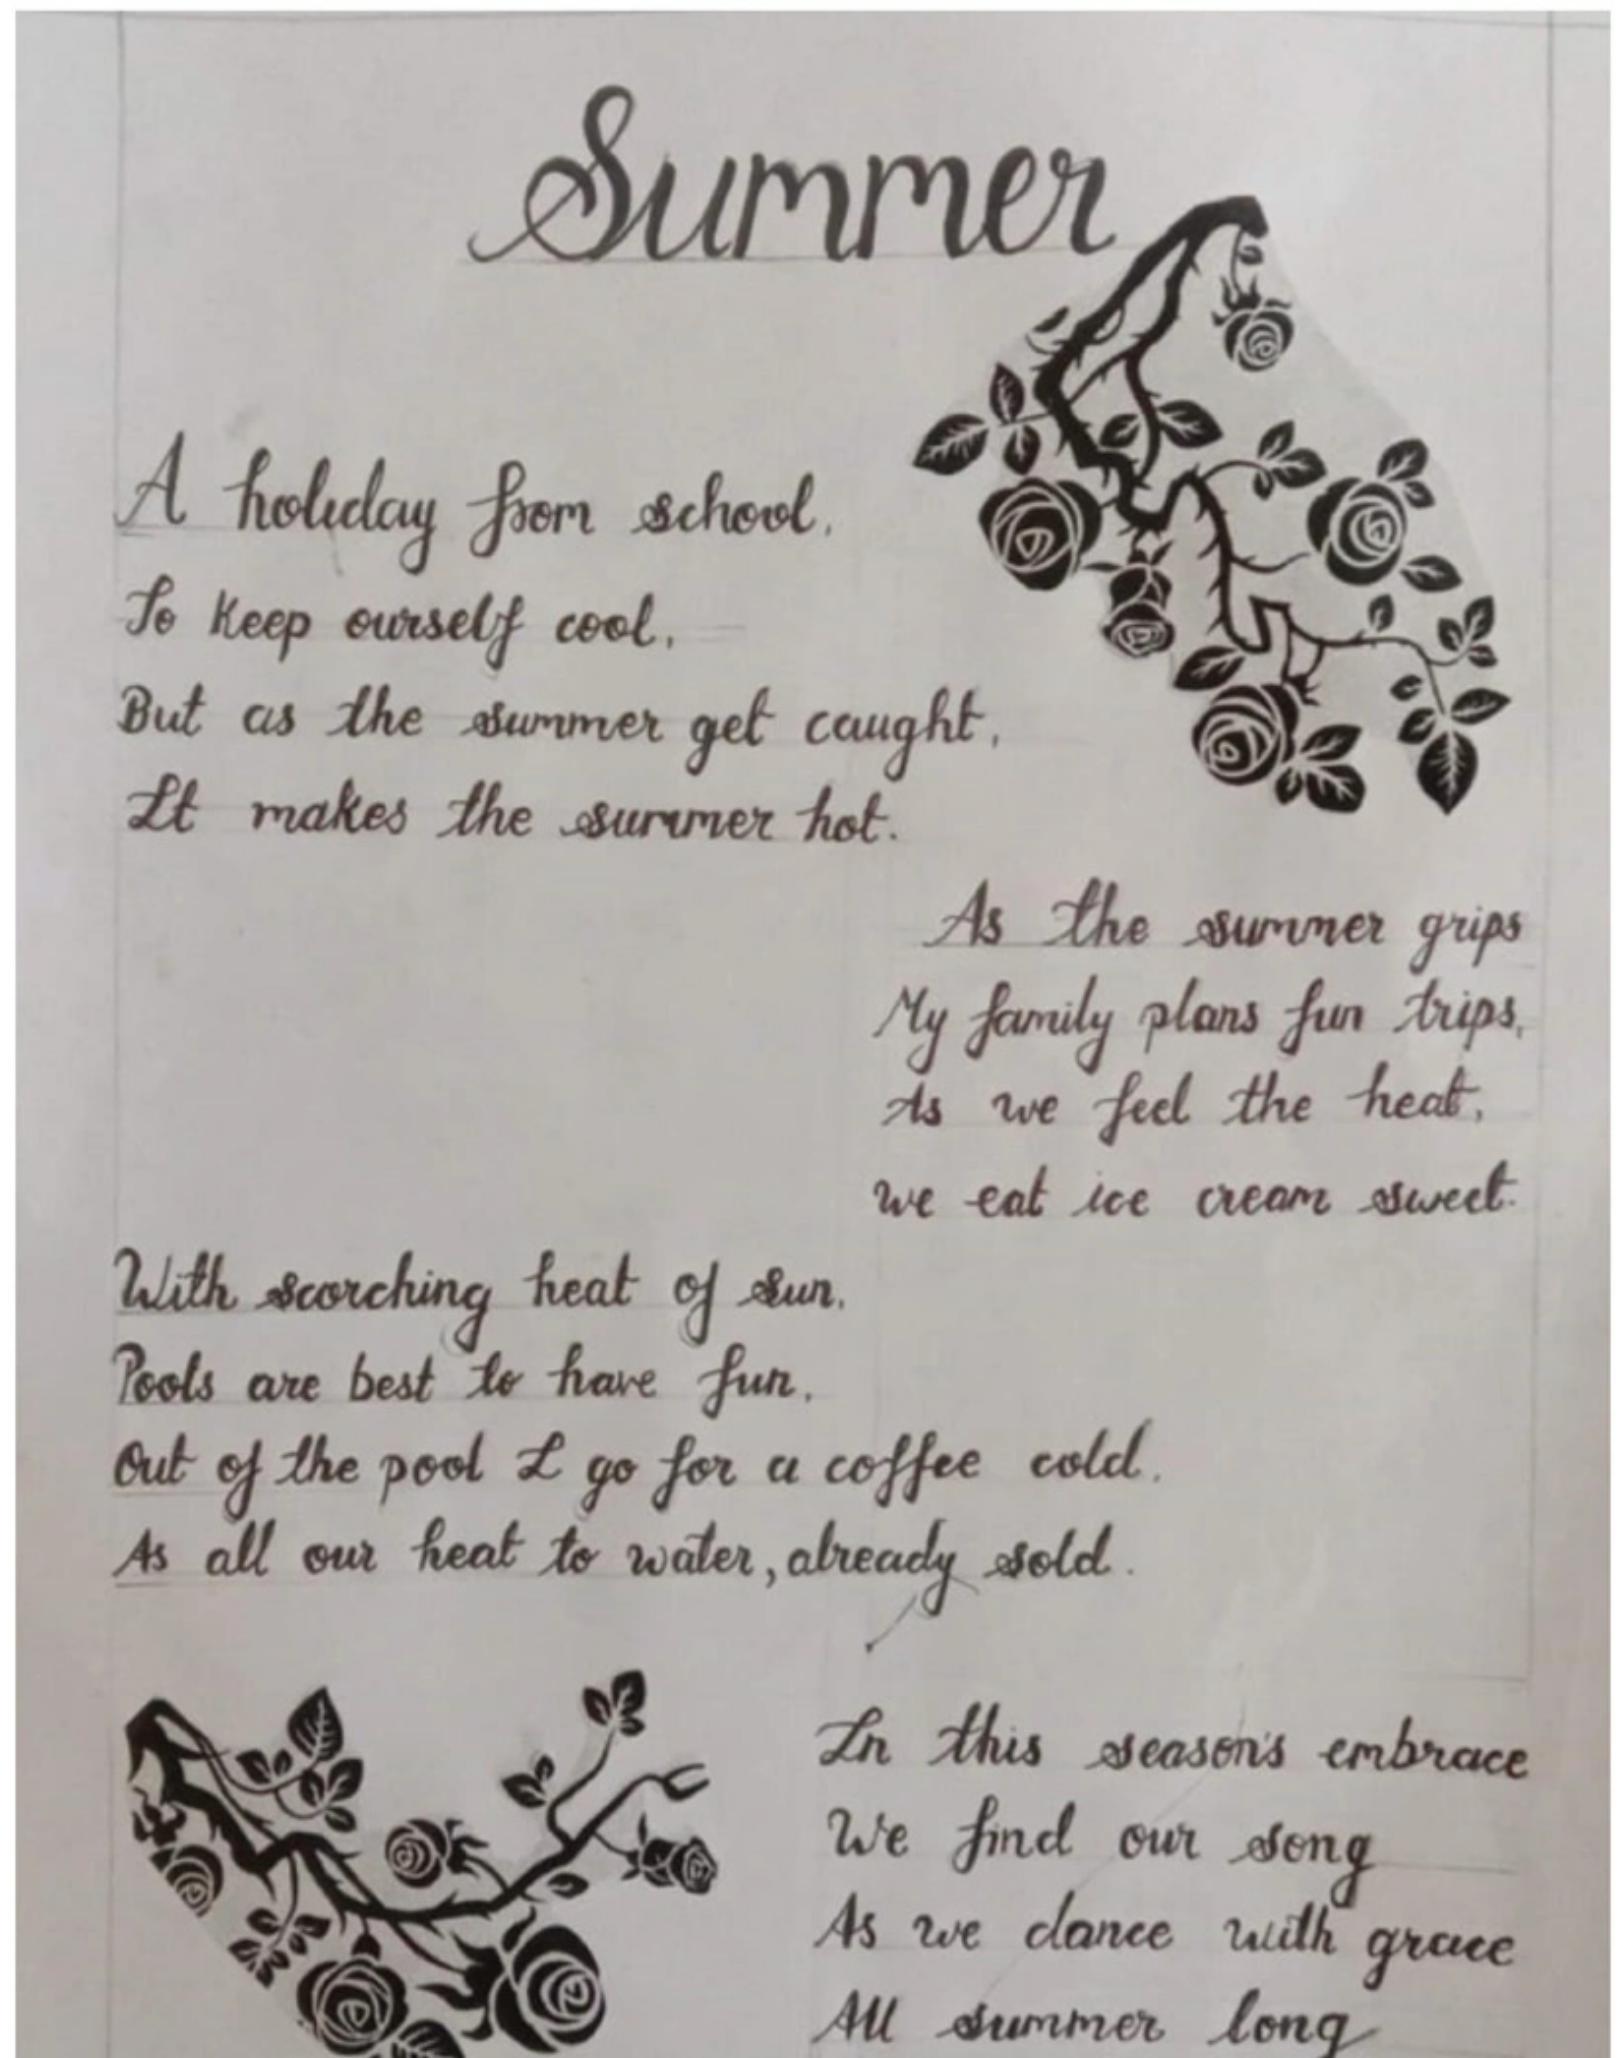

Vedic mathematics is significant for reasons other than scholastic achievement. Its applications go beyond the workplace and assist us with daily tasks like budgeting, budgeting, baking, and shopping by allowing us to make quick calculations. Vedic mathematics can also be an effective tool in professions like engineering, banking, and research where complex calculations are commonplace.

कारगिल दिवस पर रचित कविता

सरहद पर था युद्ध छिड़ा
उटकर वहाँ था वीर खड़ा।
भारत माँ की रक्षा के लिए
अकेले दस-दस से वो लड़ा।

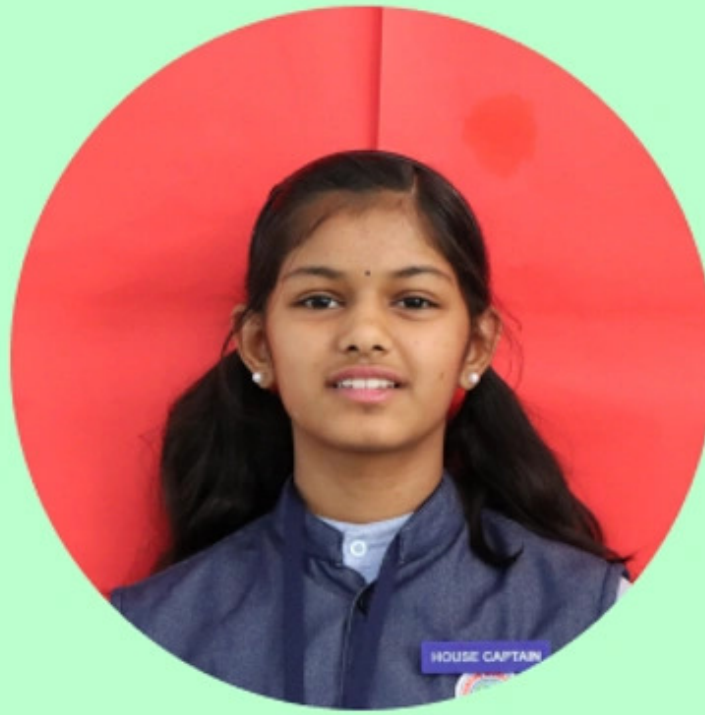

उसके भी थे माँ, बाबा, भाई और बहना,
भारत माँ के रक्षामें था, उसे सरहद पर रहना।

बीवी, बच्चे और दोस्त,
उसको भी थाद आते थे,
मातृभूमि की रक्षा के,
उसे निभाने वादे थे।

दुश्मन को हराने में उसे था प्राणों को खोना,
जीवन-मृत्यु के खेलमें, उसने चुना भ्रमर होना।
उसने चुना भ्रमर होना।

Concluding Remarks: A Journey of Excellence

As we culminate another enriching academic year at Innovative World School, Pune, we find ourselves immersed in a myriad of memories, achievements, and transformative experiences that have shaped our collective journey. This school magazine stands as a testament to the unwavering spirit of innovation, resilience, and dedication that defines our school community.

From the insightful editorial by Ms. Manju Nautiyal to the heartfelt messages from our Founder Director and Principal, each page resonates with the ethos of our school embracing tradition while forging ahead with innovation. Our reflections on navigating challenges, celebrating holistic excellence, and preserving our musical heritage encapsulate the diverse facets of our educational philosophy.

The stories shared in this magazine from the triumphs in extracurricular activities to the enriching experiences on bagless days highlight the holistic approach we adopt towards education. Our commitment to nurturing not just academic brilliance but also character, creativity, and compassion shines through in every article and feature.

As we turn the pages of this magazine, we are reminded of the collective efforts of our dedicated faculty Mr. Ravindra Gadade, Mr. Vishal Bhosale, Ms. Sulochana Mali, Ms. Kalpana Mishra and above all, our extraordinary students who make Innovative World School a truly exceptional place of learning and growth.

In closing, we extend our heartfelt gratitude to everyone who has contributed to this magazine and, more importantly, to the enriching journey that it represents. As we look forward to the future with optimism and anticipation, let us continue to strive for excellence, uphold our values, and embrace the endless possibilities that await us.

Thank you for being an integral part of the Innovative World School family. Here's to many more years of learning, growth, and success!

Warm regards,
Editorial Team

Ms. Manju Nautiyal, Mr. Ravindra Gadade, Mr. Vishal Bhosale, Ms. Sulochana Mali, & Ms. Kalpana Mishra
